Dear Mr. Pearson:

On April 27, 2004, the Department of Environmental Services, Waste Management Division ("DES") conducted an inspection of George C. Stafford & Sons, Inc. ("Stafford") in Laconia, NH. The purpose of the inspection was to determine Stafford's compliance status relative to RSA Ch. 147-A and the New Hampshire Hazardous Waste Rules, Env-Wm 100-1100.

As a result of the inspection, Stafford was issued Letter of Deficiency No. WMD 05-06 (the "LoD"). Based upon a review of Stafford's submittal received on March 17, 2005, DES has determined that your facility has corrected the deficiencies identified in the LoD.

Please be advised that DES will continue to monitor Stafford's compliance status through record reviews and on-site inspections.

If you have any questions regarding this letter, please contact the lead inspector, Robert Bishop or me at (603) 271-2942. Thank you for your cooperation.

Sincerely,
